***How should students access information for your class?***

***Kindergarten will be using Class Dojo to push out information to parents.***

***Where should assignments be turned in?***

***Assignments will be turned in with packets***

***Is there any other information student should know about your class?***

***Students would benefit from iReady Math, however, this is not a requirement.***

***What are your classroom expectations for remote students?***

***Assignments must be complete and turned in each week.***
