Any announcements, or special instructions will be posted on Teams Welcome section or post page. It will be labeled with the current day and date.

If an assignment is made in *Class Notebook*, students may post in the homework section of their notebook. For any student having difficulty with uploading, the assignment can be sent in a chat.

Students may frequently be assigned to a lesson/lessons in Khan Academy. Students who are not already enrolled will need to use the following code to join *Mrs. Jones' Algebra 2 Class*.

<https://www.khanacademy.org/join/R42RNDA5>

Code: R42RNDA5

Students must log into Teams every day. Microphones should be muted unless student needs to ask a question or is responding to a question. Students will check in with cameras on until I have recognized they are there. Students are to answer questions when called upon. If a student does not respond, I assume they are no longer there and are considered skipping.

If a student has a question or would like to comment on a discussion, they should raise their hand and wait to be called on unless I am on a separate screen then students will need to speak up. Teacher may give class a break for bathroom/water. Upon continuation of class, students will be required to turn on their cameras. Also, students must leave their camera on if they are taking a test. When test has been submitted to the teacher, the camera may be turned off.

RTI ACT Prep

Log on to teams with camera on. Once they check in, may turn camera off. Students will then stay in the meeting until instructed they can leave. They will work on Edgenuity.
